

Beach Ball Number Match Folder Game

Materials Needed:

Markers/Crayons/Colored Pencils (optional for step 1)

Glue

File Folder

Scissors

Envelope

Directions:

1. You can let your child color the beach balls or the outside of the folder if you would like him/her to get involved.
2. Print the next two pages on card stock (for extra durability)
3. Cut out all beach balls
4. Glue one set of the beach balls (uppercase or lowercase) on the inside right panel of the file folder.
5. Glue the envelope (flap side facing you) to the inside left panel of the file folder
6. Place the remaining beach balls in the envelope

Game Instructions:

Have your child match the lower case beach balls to the appropriate upper case beach balls. Check his/her work to make sure he/she is on the right track.
