3-Similar: Halloween

Teach Speech

Directions:

Print the next page on cardstock for durability
Cut out each card
Place three cards in front of the child
State a description that could only be one card
Give the child time to make a selection

**For safekeeping, you can place all cards in an envelope. You can also glue that envelope to the inside of a file folder. The game can be stored with other file folder games. For more ideas for file folder games, visit our website: www.teachspeech.weebly.com **

Example:

Easy version:
Place three different pictures in view (i.e. pumpkin, bat, witch)
Tell the child, "find the pumpkin"

Moderate version:
Place three different pictures in view (i.e. pumpkin, bat, witch)
Tell the child:
"Find something that is black" (bat or witch)
"That flies" (bat or witch) "on a broom" (witch)

Hard version:
Place all three pumpkins in view
Tell the child:
"Find an orange pumpkin" (could be any of the 3 pictures)
"With two teeth" (could be one 2 of the pictures)
"The teeth are on the bottom of his mouth" (could only be one picture)
