

GAME #1

1. Print these two pages out on card stock for durability
2. Cut out the number below
3. Paste the "It's a ZOO out there!" game board on the inside flap of the folder
4. Glue an envelope on the inside left flap of the file folder to hold the numbers when not in use. (laminare the completed folder if you have access to do so)
5. Have the youngest go first.
6. Pull a number, move that many spaces. If you land on a space with a sign, then describe the animal. If you land on a different space, make sure to follow the instructions written.
7. The first person to reach the zoo wins!
